NEW CORE CLASS Medical and Ethical Issues at the End of Life Pastor Blocher

Class will run from April 10 – May 29, 2016.
Sign up in your ABF or contact Deb Grandmason.

Our society finds itself living with the double-edged sword of high tech medicine and crushing medical costs. As more states legalize physician-assisted suicide, and others are poised to do so in the next election cycle, where do we stand as a church?

This core track class will explore the issues surrounding the end of life. The class time will include timely, biblical answers to the issues surrounding death and dying.

**Sign up for breakfast in your ABF or call Deb Grandmason
7:30-8:30 am**
